Dear Sir / Ma'am,

We wish to introduce ourselves as quality offset printers of repute. We are having one-stop-shop to fulfill all your multi colour printing requirements.

We have complete infrastructure for un-interrupted quality production with latest state of art equipments and a highly technically trained team to ensure quality finished products and timely delivery. With latest state of the art systems and in-house facility for Computerised plate development, (CTP) we have made a niche for ourselves amongst our satisfied customers.

In last 15 years of our working, we have made a name for ourselves especially in multi colour jobs of various type of quality work such as **brochures, catalogues, books, leaflets, inlays, posters, calenders, diary and various types of P.O.P. materials** as per specific requirement and demands of customer.

In this short period, we have created a strong goodwill amongst our prestigious clients due to our timely delivery, high quality of finished products and above all reasonable pricing.

We would be grateful if you could kindly give us a chance to serve you and add your name in the list of our prestigious clients.

We are also providing a list of machines as well as list of our prestigious clients to whom we are serving satisfactorily for the last fifteen years.

We will feel happy to provide you more information/enquiries.

Thanking You
